

From the Top of The Mast

Glenn Arent, Commodore

First and foremost I want to thank all of the fantastic candidates that stepped up to run for the 2016 Board of Directors and to all of you who took the time to learn about our candidates and cast your votes. To that point, please help me in welcoming the following individuals to the 2016 SJRYC Board of Directors:

Kathy Groodendorst
Theresa "Louie" Tremblay
Gene Weil
Bill Womer

Again, to those who ran and were not selected, your interest and desire to be a part of the leadership of our club is not only to be noted, but commended. As I have said time in and time out, this is the "Greatest Yacht Club on these Great Lakes, and our volunteers are the heart blood of our club." So again, thank you for your efforts and your support of our club. Of course I would be remiss if I didn't also thank all of our sitting Board Members who helped in the balloting process. That can be a tedious and overwhelming job, and your commitment and integrity in handling this all important task is much appreciated.

November's Board meeting, as with every November's

meeting will be our annual Membership meeting where the current sitting Board presents our "State of the Union" to our Membership and we vote in the next year's slate of Officers. If you've never attended, make it a point to do so. The meeting will be held Thursday, November 12th at 6:30pm on the third floor. Remember, if you have questions you are always welcome to attend any Board Meeting, but this meeting is especially important.

Finally, I would like to thank two of the three individuals that will be leaving the Board at the end of this year for their outstanding performance. They are Rex Hartwig, our current Membership Chair, and Bob Rice, our Treasurer. Both of these individuals have done an outstanding job on behalf of all of our members and I personally want to thank them both. Gene Weil will be returning to the Board after being elected to his second three year term, and I will be the third individual that will be leaving the Board at the end of this year.

Again, thank you to all of our members and staff for making this the Greatest Yacht Club on these Great Lakes!
